Gray Positive Film 5.55 x 12.45 Inches 100% 96dpi 621.96 KB

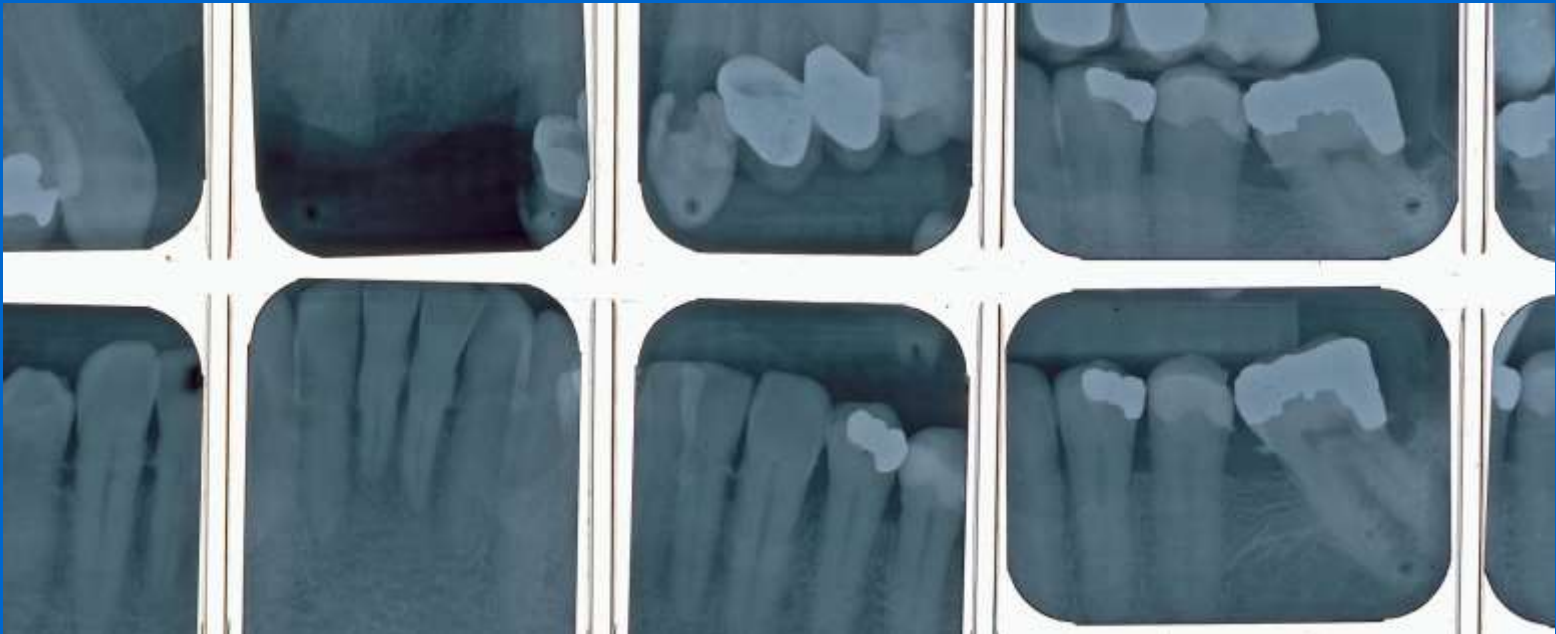

The image shows the Microtek ScanWizard 5 software interface. The main window is titled "Microtek ScanWizard 5 - Standard Control Panel". It features a central preview area showing a scan of a film strip with a red dashed border. To the right of the preview is a vertical slider and a magnifying glass icon. Below the preview area, there is a status bar displaying "Gray Positive Film", "5.55 x 12.45 Inches", "100%", "96dpi", and "621.96 KB". The interface includes several control buttons: "Original", "Scan Type", "Purpose", "Scale Output", "Adjust", "Reset", and "Preferences". The "Scan to" button has a dropdown arrow. The background of the desktop is a scenic landscape with a lake, trees, and mountains.
